1. Cut a piece of cherry cobbler card stock at 5-1/2" x 11", use the gift bag punch board to create a medium size bag.
2. Use the Tags & Labels framelits to create a window in the front of the bag. Adhere acetate to the back of the window.
3. For the frame around the window cut a piece of gold glimmer paper using the label the same size as the window you just cut out, then cut a smaller label out of the center of the gold glimmer paper to create the frame.
4. From the 3" x 11" piece that is left over you will make your lid and your notecard.
5. Cut a 2" piece from the 3" x 11" piece. Score this piece at 1/2" and 3/4", fold on the score lines.
6. Cut a 3" x 6" piece for your notecard and set it aside.

9. Use dimensionals to close the lid.
10. For the notecard, score at 3" and fold in half to make a 3" x 3" note card, use a corner rounder to round the corners on the right side of the card.
11. Cut a piece of designer series paper at 2-3/4" x 2-3/4" and corner round the two right sides of the paper so it matches the card base, adhere it to the card.
12. Cut a piece of very vanilla card stock at 2-3/4" x 2-3/4" and adhere it to the inside of the notecard.
13. Punch a piece of gold glimmer paper with the 2-3/8" scallop circle punch and use dimensionals to adhere it to the front of the note card.
14. Use the cherry cobbler label from the gift bag window you cut out and put dimensionals on the back and adhere to the front of the notecard on top of the gold glimmer piece.
