1. Cut a piece of real red card stock at 4-1/4" x 11".
2. Score the piece of card stock at 3", 5-1/2" and 8".
3. Fold the card stock into a W shape. The center piece should come up in a peak.
4. Use fast fuse adhesive on the two lower corners of the peak.
5. Use the word window punch to create a slit in the peak. You will have to punch all the way across leaving about 1/4" on each side of the peak.
6. Cut a piece of basic black card stock at 2-3/4" x 4" and layer it down to the front of the card.
7. Cut a piece of home for christmas designer series paper 2-1/2" x 3-3/4" and layer it on top of the basic black.
8. Use fast fuse adhesive to adhere the black satin ribbon to the back of the card and to the front half of the card. Tie a bow on the side.
9. Hand cut the reindeer out of the home for christmas designer series paper. Use dimensionals on the pack for the reindeer to adhere it to the front of the card.
