

Stampin' Blends Labels 2023 Update

Thank you for purchasing the 2023 Stampin' Blends Labels.

I ask that you do not share this document, or print multiples and give to others.

A 3/8" circle punch can be used to punch these out. You can purchase one on Amazon here: <https://amzn.to/2EnIROL>

If printing on copy paper, simply use a glue dot to adhere to the end of the marker.

When a marker dries out, remove the lid with the label and save, and place on the new marker.
